Section 34 of the Burial Act 1852
Local Government Act 1972**

Article 15 of the Local Authorities Cemeteries Order 1977

Fees, payments and sums fixed and agreed by the Administration and Finance Committee of Skellingthorpe Parish Council at a meeting on the 15th January 2023 to come into operation on 1st April 2023. These fees will be revised annually.

The fees, payments and sums set out below apply where the person to be interred or in respect of whom the right is granted is, or immediately before the death was, an inhabitant or parishioner of Skellingthorpe, or in the case of a stillborn child, where the parents (or one of them) are or at the time of interment, were such inhabitants or parishioners who were on the current or previous year's register of electors, or children of parents/guardians whose names appear on it. The fees, payments and sums indicated take account of the ongoing payments made by those living in the parish through the Council Tax, towards the upkeep of the burial ground.

In all other cases fees, payments and sums, including those for monuments will be higher. This means that non-residents will also have made some payment towards the upkeep of the burial ground.

OTHER REGULATIONS:

No interment of human remains may take place without the permission of the Parish Council. Burials or interment of ashes may only be undertaken by a person who is properly authorised to do so by Skellingthorpe Parish Council.

Skellingthorpe Parish Council is maintaining its Cemetery as a lawned area, which will produce a very pleasant green and restful area for relatives whilst helping to keep maintenance costs to a minimum.

In the interests of permanent neat and tidiness of the cemetery, which will provide a pleasant place for the bereaved to visit, Skellingthorpe Parish Council has decided to have an all-grassed area with permission for headstones and ornaments, flower vases, etc. to be allowed **only** on the plinths laid down. Forms are provided with full instructions and measurements. Therefore, any items of any description laid upon the grave or the interment area will be removed, except for a short time after the initial burial or interment of ashes. The reason for this is because grass-cutting implements will not ride over ornaments or wreaths, which may contain wire and therefore may damage the mower.

Shrubs, for example, rose bushes or dedicated seats may be donated in memory of loved ones, if space allows, but only with the permission of the Skellingthorpe Parish Council in a designated area as specified by the Parish Council.
