4. **Picnic on the Monson Field Open Discussion.** Cllr. Thorn asked for a date to be set for this event. After much discussion Saturday 25th September 1pm – 4pm was decided. The format of the event was discussed. Those who attend will bring their own picnics, but the PC will organise entertainment for the children. Suggestions were Music, Gaming Truck, Bouncy Castle, Wet sponge throwing, Kids competitions, Morris dancing, parachute game. It was suggested that people would be welcome to bring their own tents or gazebos should the weather turn wet or chilly. It was suggested to ask the two schools and nursery to get involved. Bouncy Castle could be too expensive, also it must be supervised the whole time and the question of insurance must be considered also St. John Ambulance has to be in attendance.

A risk assessment must be done.

Cllr. Coyle-fox will contact a DJ she knows to ask if he is available.

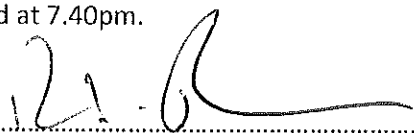

Cllr. Walshaw proposed a budget of £500 for this event, seconded by Cllr. J. Thorn.

Cllr. R. Thorn asked for contact details from the clerks.

5. **Future Events open Discussion.** This was decided to take forward to September's meeting.
