

SKELLINGTHORPE PARISH COUNCIL

Skellingthorpe Community Centre

The hand over of the running of the Community Centre to the Parish Council is now nearing completion. A new charity has been formed and named "Skellingthorpe Community Centre CIO" (Charitable Incorporated Organisation) with the Parish Council as sole trustee. This management committee has been formed consisting of three ex-officio members. This management committee is entrusted with co-opting members from the community to serve on the community. Thus we are asking that anyone interested in joining this committee should in the first instance contact or send their details to the Parish Clerk, on 01522 683061 or email parish.clerk@skellingthorpe.org.uk
