Dear Madam

**ADVANCE NOTIFICATION OF ROAD IMPROVEMENTS**  
**SCHEME: Skellingthorpe – Street Lighting Replacements**

I am writing to inform you that we are currently planning the above highway scheme, which is due to start on **22/05/23** for up to **4** weeks.

As part of these road works, either **Two-Way or Three-Way Temporary Traffic Signals or Priority Signs** will be in use on **Jerusalem Rd, Church Rd & Lincoln Rd** (between the approach to the **A46 roundabout on Lincoln Road** and the **junction of Moss Lane and Jerusalem Road**), from **08:00 to 17:00**, on **weekdays only**.

There will inevitably be some disruption during these works, but we will do our best to keep this to a minimum. This includes:

- Maintaining access for residents and emergency services throughout the project as far as reasonably practicable
- Keeping pedestrian footways open to the public
- Doing our absolute best to carry the scheme out as quickly and efficiently as possible

Your co-operation and understanding during these works will be greatly appreciated. Should you have any specific needs or requirements, or if you'd like further information, please do not hesitate to contact me on the telephone number given above.

Yours sincerely

PP

**Martin Green**

for Head of Highways Design
