The recent complaints are likely to be a factor of the hotter weather which increases the decay of animal products (as mentioned by Hughes after a complaint on 30/6/23). A system to fast track such odorous trailers for processing

2. Complaints received by A Hughes

None

3. Visits to A Hughes/Skellingthorpe

An unannounced visit on the 19 June 2023 at 2.15 pm by North Kesteven Environmental health . The installation of The
A wash water pit which was the source of odour on the last visit has now been sealed (second photo) and metal claddi

as it was becoming loose.

Next visit :End of July 2023.

Kind regards
