Subject: Lincoln Road / Waterloo Lane, Skellingthorpe - Proposed Carriageway Resurfacing
Attachments: Diversion Route.pdf

Good morning.

I hope you are keeping well.

My name is Andrew Blissitt and I work for Lincolnshire County Council within the Asset Surfacing Team. I am currently planning and programming carriageway resurfacing works at the above location.

Works will take place overnight on Friday 29th September commencing at approximately 8pm. The works will be completed no later than 6am on the morning of Saturday 30th September.

Lincoln Road will be closed to through traffic with a signed diversion route in place (see attached plan).

Whilst residents access will be maintained there may be occasions when this may be restricted and delays experienced. My contractors will liaise and work with residents/businesses requiring access on site and facilitate safe passage.

My main contractor, Balfour Beatty will carry out a letter drop to all affected properties within the working area and affected by our planned works. This should take place in the next few days.

Advanced notification signage will be placed out on site 2 weeks prior to the start date, to inform the general public of LCC's proposed works and timescales.

Should you have any question please do not hesitate to contact me.

Regards

Andrew Blissitt
