

How to report flooding

Flooding advice and information can be found in the downloads and useful links tabs.

Are you experiencing flooding or do you want to report potential flooding? If so, please ring the Lincolnshire County Council, Customer Service Centres Highways Team on **01522 782082**

Your call will be logged and passed to a Highways officers to investigate on a priority basis. Please bear with us during busy periods as we will attend to those callers who require assistance and cannot self-help first. If, however, your situation gets worse please ring back again and let us know, or ring 999 if the situation becomes life threatening.
